

Our New Cafe on Third Floor Is Now Open

Commodiously located on the third floor, where the air is fresh and pure and the view interesting, the cafe is a most inviting place for a meal.

It is a first-class place—different from other cafes in this respect: PRICES ARE MODERATE. The cuisine is under the direction of a French chef who will make a feature of French pastries. The meals will include everything the appetite suggests. The appointments are rich and pleasing, the decorations being in Imp-Art (for which the store is agent). The materials are in leather effect and colorings, relieved with a dark finish. The design is of dado panels of an indefinite grape-vine pattern in autumn shades.

Breakfast from \$ to 10 a.m.
Luncheon from 11 a.m. to 2 p.m.
Afternoon tea from 2 to 6 p.m.
A la carte at all hours.
Music from 3 to 6 p.m.
Music Saturday evenings.

You will feel the spirit of Christmas the minute you step into the store.
